## 1. Introduction to the UK-GDPR

Under the United Kingdom General Data Protection Regulations (UKGDPR) Small Charity Support (herein after referred to as “the Charity”, “Veterans Coastal Retreats” or “VCR”) is required to comply with the UK-GDPR and undertakes to do so.

Throughout this policy document, numbers prefixed by “Art: “in brackets (e.g.: {Art:5}) refer to the relevant Article(s) in the UK-GDPR, as modified by the Keeling Schedule.

## 2. Definitions

*{Precised from Art:4}*

The definitions of terms used in this policy are the same as the definitions of those terms detailed in Article-4 of the UK-GDPR.

### Data Subject

A data subject is an identifiable individual person about whom VCR holds personal data.

### Contact Information

For the purposes of this Policy, “Contact Information” means any or all the person's: full name (including any preferences about how they like to be called); full postal address; telephone and/or mobile number(s); e-mail address(es); social media IDs/Usernames (e.g.: Facebook, Skype, Hangouts, WhatsApp)

## 3. Principles of the UK-GDPR

*{Precised from Art:5}*

VCR will ensure that all personal data that it holds will be:

- a) processed lawfully, fairly and in a transparent manner in relation to individuals;
- b) collected only for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes; further processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes shall not be considered incompatible with the initial purposes;
- c) adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed;
- d) accurate and, where necessary, kept up to date; every reasonable step must be taken to ensure that personal data that are inaccurate, having regard to the purposes for which they are processed, are erased or rectified without delay;
- e) kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed; personal data may be stored for longer periods insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes subject to implementation of the appropriate technical and organisational measures required by the UK-GDPR in order to safeguard the rights and freedoms of individuals; and
- f) processed in a manner that ensures appropriate security of personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures.

## 4. Lawful Processing

*{Precised from Art:6}*

VCR will obtain, hold and process all personal data in accordance with the UK-GDPR for the following lawful purposes. In all cases the information collected, held and processed will include contact information (as defined in 2 above).

## **By Consent**

People who are interested in, and wish to be kept informed of, the activities of the Charity.

- a) Subject to the person's consent, this may include information selected and forwarded by the Charity on activities by other organisations which are relevant to those of the Charity. Note: this will not involve providing the person's personal data to another organisation.
- b) The information collected may additionally contain details of any areas of interest about which the person wishes to be kept informed.
- c) The information provided will be held and processed solely for the purpose of providing the information requested by the person.

## **By Legal Obligation**

People where there is a legal obligation for VCR to collect, process and share information with a third party – e.g.: the legal obligation to collect, process and share with HM Revenue & Customs.

The information provided will be held, processed and shared with others solely for the purpose meeting the VCR's legal obligations.

## **By Vital Interest**

VCR undertakes no activities which require the collection, holding and/or processing of personal information for reasons of vital interest.

## **By Public Task**

VCR undertakes no public tasks which require the collection, holding and/or processing of personal information.

## **Legitimate Interest**

- Volunteers, Including Trustees

In order to be able to operate efficiently, effectively and economically, it is in the legitimate interests of the Charity to hold such personal information on its volunteers and trustees as will enable the Charity to communicate with its volunteers on matters relating to the operation of the charity, eg:

- the holding of meetings;
- providing information about the Charity's activities – particularly those activities which, by their nature, are likely to be of particular interest to individual volunteers/trustees;
- seeking help, support and advice from volunteers/trustees, particularly where they have specific knowledge and experience;
- ensuring that any particular needs of the volunteer/trustee are appropriately and sensitively accommodated when organising meetings and other activities of the Charity.

## 5. Individual Rights

**Note:** The following clauses are taken primarily from the guidance provided by the Office of the Information Commissioner, <https://ico.org.uk/for-organisations/guide-to-the-general-data-protection-regulation-gdpr/individual-rights/right-to-be-informed/>

## The right to rectification

*{Precised from Art:16}*

The data subject shall have the right to require the controller without undue delay to rectify any inaccurate or incomplete personal data concerning him/her. VCR will endeavour to correct any data error with all reasonable haste and provide assurance to the data subject that it has been corrected.

## **6. Operational Policies & Procedures – The Context**

The Trustees understand and accept their responsibility under the UK General Data Protection Regulation (UK-GDPR) to hold all personal data securely and use it only for legitimate purposes with the knowledge and approval of the data subjects.

By the following operational policies and procedures the Trustees undertake to uphold the principles and requirements of the UK-GDPR in a manner which is proportionate to the nature of the personal data being held by the Charity. The policies are based on the Trustees' assessment, in good faith, of the potential impacts on both VCR and its data subjects of the personal data held by VCR being stolen, abused, corrupted or lost.

## **7. Personnel**

### **Data Protection Officer**

A Data Protection Officer will be voted by the Board of Trustees. In the event this position is gapped, it shall default to the Chair of the Trustees.

### **Data Controller**

The Board of Trustees is the Data Controller for VCR and overseen by the Data Protection Officer.

### **Data Processor**

The Board of Trustees will appoint at least 2 and not more than 5 of its number, or other appropriate persons, to be the Data Processors for VCR.

VCR will not knowingly outsource its data processing to any third party (eg: Google G-Suite, Microsoft OneDrive) except as provided for in the section "Third Party Access to Data".

### **Access to Data**

Except where necessary to pursue the legitimate purposes of the Charity, only the Data Processors shall have access to the personal data held by the Charity. In the instances of Safeguarding data, this shall be limited to the Safeguarding Trustee and Chair of Trustees only. Data access may be restricted to any Trustee in the event that they are involved in any safeguarding / whistleblowing or other investigation.

### **Training**

The Board of Trustees and Data Processors will periodically undergo appropriate training commensurate with the scale and nature of the personal data that the Charity holds and processes under the UK-GDPR. This schedule of training will be overseen by the Data Protection Officer.

## 8. Collecting & Processing Personal Data

VCR collects a variety of personal data commensurate with the variety of purposes for which the data are required in the pursuit of its charitable objects.

All personal data will be collected, held and processed in accordance with the relevant Data Privacy Notice provided to data subjects as part of the process of collecting the data.

A Data Privacy Notice will be provided, or otherwise made accessible, to all persons on whom VCR collects, holds and processes data covered by the UK-GDPR. The Data Privacy Notice provided to data subjects will detail the nature of the data being collected, the purpose(s) for which the data are being collected and the subjects rights in relation to VCR's use of the data and other relevant information in compliance with the prevailing UK-GDPR requirements.

## 9. Information Technology

### Data Protection by Design/Default

Inasmuch as:

- a) none of the VCR volunteer Trustees are data protection professionals;
- b) it would be a disproportionate use of charitable funds to employ a data protection professional, given the scale and nature of the personal data held by VCR;

the Trustees will seek appropriate professional advice commensurate with its data protection requirement whenever:

- a) they are planning to make significant changes to the ways in which they process personal data;
- b) there is any national publicity about new risks (eg: cyber attacks);
- c) any material changes to the UK-GDPR are proposed or have been made;

which might adversely compromise VCR's legitimate processing of personal data covered by the UK-GDPR.

Sensitive personal data will never be transmitted electronically (eg: by e-mail) unless securely encrypted.

### Data Processing Equipment

The scale and nature of the personal data held by VCR is not sufficient to justify the Charity purchasing dedicated computers for the processing of personal data.

VCR will rely on Microsoft OneDrive to store information. Access to folders will only be granted to the VCR personnel who require access to carry out their function.

### Data Processing Location

Data Processors shall only process the Charity's personal data in a secure location, and not in any public place, eg: locations where the data could be overlooked by others, or the removable data storage devices would be susceptible to loss or theft.

Computers/laptops in use for data processing will not be left unattended at any time.

### Data Backups

The files stored within Microsoft OneDrive have an automatic backup feature.

## Obsolete or Dysfunctional Equipment

Equipment used to hold personal data, whether permanently or as interim working copies, which come to the end of their useful working life, or become dysfunctional, shall be disposed of in a manner which ensures that any residual personal data held on the equipment cannot be recovered by unauthorised persons.

Inasmuch as:

- a) this will be a relatively infrequent occurrence;
  - b) techniques for data recovery and destruction are constantly evolving;
  - c) none of the Trustees have relevant up-to-date expert knowledge of data cleansing;
- equipment which becomes obsolete or dysfunctional shall not be disposed immediately. Instead it will be stored securely while up-to-date expert advice on the most appropriate methods for its data cleansing and disposal can be sought and implemented.

## 10. Data Subjects

### The Rights of Data Subjects

In compliance with the UK-GDPR VCR will give data subjects the following rights. These rights will be made clear in the relevant Data Privacy Notice provided to data subjects:

- the right to be informed;
- the right of access;
- the right to rectification;
- the right of erasure {LO} *Also referred to as "The right to be forgotten"*
- the right to restrict processing;
- the right to data portability; {LO} {LI}
- the right to object; {SC} {Co} {LO}
- the right not to be subjected to automated decision making, including profiling.

The above rights are not available to data subjects when the legal basis on which the Charity is holding & processing their data are: {SC} Subject Consent; {Co} Contractual obligation  
{LO} Legal Obligation {LI} Legitimate Interest

### Rights of Access, Rectification and Erasure

Data subjects will be clearly informed of their right to access their personal data and to request that any errors or omissions be corrected promptly.

Such access shall be given and the correction of errors or omissions shall be made free of charge provided that such requests are reasonable and not trivial or vexatious. There is no prescribed format for making such requests provided that:

- a) the request is made in writing, signed & dated by the data subject (or their legal representative);
- b) the data claimed to be in error or missing are clearly and unambiguously identified;
- c) the corrected or added data are clear and declared by the subject to be complete and accurate.

It will be explained to subjects who make a request to access their data and/or to have errors or omissions corrected, or that their data be erased, that, while their requests will be

actioned as soon as is practical there may be delays where the appropriate volunteers or staff to deal with the request do not work on every normal weekday.

Where a data subject requests that their data be rectified or erased the Data Controller and Data Processor will ensure that the rectifications or erasure will be applied to all copies of the subject's personal data including those copies which are in the hands of a Third Party for authorised data processing.

### **Right of Portability**

VCR will only provide copies of personal data to the subject (or the subject's legal representative) on written request.

VCR reserves the right either:

a) to decline requests for portable copies of the subject's personal data when such requests are unreasonable (*ie*: excessively frequent) or vexatious;

*or*

b) to make a reasonable charge for providing the copy.

### **Data Retention Policy**

Personal data shall not be retained for longer than:

a) In the case of data held by subject consent: the period for which the subject consented to VCR holding their data;

b) in the case of data held by legitimate interest of VCR: the period for which that legitimate interest applies. For example: in the case of data subjects who held a role, such as a volunteer, with VCR the retention period is that for which the VCR reasonably has a legitimate interest in being able to identify that individual's role in the event of any retrospective query about it;

c) in the case of data held by legal obligation: the period for which VCR is legally obliged to retain those data.

VCR shall regularly – not less than every 6 months – review the personal data which it holds and remove any data where retention is no longer justified. Such removal shall be made as soon as is reasonably practical, and in any case no longer than 20 working days (of the relevant Data Processor) after retention of the data was identified as no longer justified.

## **11. Privacy Impact Assessment**

### **Trustees 'Data**

The volume of personal data held regarding current or former trustees is very low – less than 15 individuals. The sensitivity of the data is moderate: the most sensitive data being date of birth, previous names and previous addresses along with information to support Enhanced DBS checks and the results of those checks. The risk of data breach is small as the data are rarely used, with the majority of the data being held for a combination of legal obligation and legitimate interest.

**Overall impact: LOW**

### **Volunteers'/ Members' Data**

The volume of personal data is low – less than 100 individuals. The sensitivity of the data is low: the most sensitive data being an e-mail address. The Trustees may hold additional data on volunteers (such as if DBS checks are warranted) and in that event the data

sensitivity may increase. Additionally, photographs of volunteers conducting VCR related activities alongside vulnerable individuals may be stored and used by the Charity, but consent will be gained from the individuals and the Privacy Notice provided to them. The risk of data breach is small – primarily the accidental disclosure of names & e-mail addresses.

**Overall impact: LOW**

### **Supporters ' & Enquirers 'Data**

The volume of personal data is low-moderate. Photographs of supporters conducting VCR related activities alongside vulnerable individuals / VCR beneficiaries may be stored and used by the Charity, but consent will be gained from the individuals and the Privacy Notice provided to them.

The sensitivity of the data is low: the most sensitive data being an e-mail address or photograph displaying medical conditions. The risk of data breach is small – primarily the accidental disclosure of names, e-mail addresses and visible medical conditions.

**Overall impact: LOW**

## **12. Third Party Access to Data**

Under no circumstance will VCR share with, sell or otherwise make available to Third Parties any personal data except where it is necessary and unavoidable to do so in pursuit of its charitable objects as authorised by the Data Controller.

Whenever possible, data subjects will be informed in advance of the necessity to share their personal data with a Third Party in pursuit of the VCR's objects.

Before sharing personal data with a Third Party the Charity will take all reasonable steps to verify that the Third Party is, itself, compliant with the provisions of the UK-GDPR and confirmed in a written contract. The contract will specify that:

- ☑ The Charity is the owner of the data;
- ☑ The Third Party will hold and process all data shared with it exclusively as specified by the instructions of the Data Controller;
- ☑ The Third Party will not use the data for its own purposes;
- ☑ The Third Party will adopt prevailing industry standard best practice to ensure that the data are held securely and protected from theft, corruption or loss;
- ☑ The Third Party will be responsible for the consequences of any theft, breach, corruption or loss of the Charity's data (including any fines or other penalties imposed by the Information Commissioner's Office) unless such theft, breach, corruption or loss was a direct and unavoidable consequence of the Third Party complying with the data processing instructions of the Data Controller
- ☑ The Third Party will not share the data, or the results of any analysis or other processing of the data with any other party without the explicit written permission of the Data Controller;
- ☑ The Third Party will securely delete all data that it holds on behalf of VCR once the purpose of processing the data has been accomplished.
- ☑ VCR does not, and will not, transfer personal data out of the UK.

## 13. Data Breach

In the event of any data breach coming to the attention of the Data Controller the Trustees will immediately notify the Information Commission's Office.

In the event that full details of the nature and consequences of the data breach are not immediately accessible (eg: because Data Processors do not work on every normal weekday) the Trustees will bring that to the attention of the Information Commissioner's Office and undertake to forward the relevant information as soon as it becomes available.

## 14. Privacy Policy & Privacy Notices

The Charity will have a Privacy Policy and appropriate Privacy Notices which it will make available to everyone on whom it holds and processes personal data, in accordance with section 5.

In the case of data obtained directly from the data subject, the Privacy Notice will be provided at the time the data are obtained.

In the case that the data are not obtained directly from the data subject, the Privacy Notice will be provided within a reasonable period of the VCR having obtained the data (within one month), **or**, if the data are used to communicate with the data subject, at the latest, when the first communication takes place; **or** if disclosure to another recipient is envisaged, at the latest, before the data are disclosed.
